HELP OUR SCHOOL RAISE MONEY

With **Search and Give** and your help, our school can raise money just by searching the Web.

Our school is participating in **Search and Give**, an exciting new program sponsored by Microsoft and supported by Scholastic. **Search and Give** is powered by Live Search from Microsoft, a simple and innovative search engine that can help us earn money for the supplies and equipment our school needs.

It's FREE

There is no fee to enroll and participation is completely voluntary. It does not cost our school or our supporters anything to participate and there are no hidden commitments.

It's AUTOMATIC

Supporters can quickly and easily sign up online. Once they're signed up, each time a supporter uses www.searchandgive.com to search the Internet, Microsoft will donate a ticket to our school's account. Each supporter can earn a maximum of 10 tickets per day for searches on www.searchandgive.com, and each ticket from those searches will result in a one-penny donation by Microsoft. Microsoft handles all program administration, including automatic ticket redemption. Near the end of the school year, these tickets will be converted to cash and our school will receive a check from Microsoft.

It's REWARDING

The money our school earns can be used to purchase classroom supplies, computers, printers, video equipment, library books, and more. The more supporters we have, the more money we can raise!
